during the final decades of the ancient regime prominent collectors in paris commissioned and collected french paintings of the period works by greuze fragonard david and others that together comprised l'ecole françoise the french school in this book an art historian discusses six of these collectors and the collections they assembled showing that private patronage in this period was revitalized by this patriotic desire to collect contemporary art colin b bailey explains why a taste for modern art emerged at this time and how it was encouraged and fostered examining the relationship between artist and patron he discusses the degree of influence these enlightened patrons and collectors expected to exercise when new works were being commissioned bailey shows that collectors of eighteenth century french painting seem not to have made rigid distinctions between the various genres or styles of the academy's practitioners instead history paintings and genre paintings both rococo and neo classical were exhibited proudly on their walls as superb examples of the french school

an exploration of current scholarly thinking about the wide and surprisingly complex range of historical problems associated with the study of ancien régime europe

histories of artists' personal possessions shed new light on the lives of their owners artists are makers of things yet it is a measure of the disembodied manner in which we generally think about artists that we rarely consider the everyday items they own this innovative book looks at objects that once belonged to artists revealing not only the fabric of the eighteenth century art world in france but also unfamiliar and sometimes unexpected insights into the individuals who populated it including jean antoine watteau françois boucher jean baptiste greuze and elisabeth vigée lebrun from the curious to the mundane from the useful to the symbolic these items have one thing in common they have all been eclipsed from historical view some of the objects still exist like jean honoré fragonard's color box and jacques louis david's table others survive only in paintings such as jeansiméon chardin's cistern in his copper drinking fountain or in documents like françois lemoine's sword the instrument of his suicide several were literally lost including pastelist jean baptiste perronneau's pencil case in this fascinating book the authors engage with fundamental historical debates about production consumption and sociability through the lens of material goods owned by artists the free online edition of this open access publication is at [getty.edu/publications/artists-things/](http://getty.edu/publications/artists-things/) and includes zoomable illustrations free pdf and epub downloads of the book are also available

eighteenth century europe witnessed monumental upheavals in both the catholic and protestant faiths and the repercussions rippled down to the churches religious art forms nigel aston now chronicles here the intertwining of cultural and institutional turmoil during this pivotal century the sustained popularity of religious art in the face of

competition from increasingly prevalent secular artworks lies at the heart of this study religious art staked out new spaces of display in state institutions palaces and private collections the book shows as well as taking advantage of patronage from monarchs such as louis xiv and george iii who funded religious art in an effort to enhance their monarchical prestige aston also explores the motivations and exhibition practices of private collectors and analyzes changing catholic and protestant attitudes toward art the book also examines purchases made by corporate patrons such as charity hospitals and religious confraternities and considers what this reveals about the changing religiosity of the era as well an in depth historical study art and religion in eighteenth century europe will be essential for art history and religious studies scholars alike

the french revolution had a marked impact on the ways in which citizens saw the newly liberated spaces in which they now lived painting gardening cinematic displays of landscape travel guides public festivals and tales of space flight and devilabduction each shaped citizens understanding of space through an exploration of landscape painting over some 40 years steven adams examines the work of artists critics and contemporary observers who have largely escaped art historical attention to show the importance of landscape as a means of crystallising national identity in a period of unprecedented political and social change

the rococo emerged in france around 1700 as a playful revolt against the grandeur of the baroque and the solemnity of classicism it flourished during the reign of louis xv and began to go out of fashion in the second half of the 18th century during this brief period of less than a century it spread throughout the courts and cities of europe with significant regional variations on the style developing in bavaria potsdam venice and great britain the period produced an extraordinary number of artistic innovators who challenged received conventions developed novel subject categories and eroded hierarchical distinctions between the arts the historical dictionary of rococo art covers all aspects of rococo art history through a chronology an introductory essay a review of the literature an extensive bibliography and over 350 cross referenced dictionary entries on prominent rococo painters sculptors decorative artists architects patrons theorists and critics as well as major centers of artistic production this book is an excellent access point for students researchers and anyone wanting to know more about rococo art
